## **Centre News**

As the warmer weather approaches, we will start sending home your child's winter gear. Please send extra clothes and socks to keep at the Centre for wet spring days.

Be cautious in the parking lot and mindful of your child's whereabouts at all times. Please escort your child to and from the door.

## **Week of the ECE**

### **What is Week of the ECE?**

"The Week of the Early Childhood Educator was established by MCCA in 1992, following the release of the national Caring for a Living Study. The celebration is intended to recognize the valuable work of those who 'care for a living' by providing early childhood education, family support, and a service that contributes to the social and economic development of our province. It has been proclaimed annually by the Minister of Family Services, Government of Manitoba.

Whether you work in an early learning and child care Centre or a family child care home the Week of the ECE is a celebration of the important work we do with children and their families."
